During the year 2017/8, in conjunction with The Research Schools Network, our Year 5 classes are taking part in a research study addressing the question "Does more physical activity improve disposition to learning and pupil achievement within class teaching? The standing desks and activity trackers have been purchased as part of this study.

2. School Impact

Over the year 2017/8, over 400 pupils will attend non curricular sports clubs in the following sports:

- Gymnastics
- Football
- Multisports
- Karate
- Yoga
- Streetdance
- Rugby
- Skateboarding

- Cycling
- Cricket
- Table tennis
- Girls netball
- Girls hockey
- Girls football
- Cricket
- Free running

This variety of clubs has been available for the past five years and the diversity of the offering continues to grow year on year. Teams from Rosendale have competed in fixtures against other schools in football, netball, rugby, gymnastics, table tennis and cricket.

3. Sustainability

All the current year's grant has been allocated to activities and resources which are sustainable and will still be in operation when the grant is no longer received in 2020.

4. Year 6 children meeting National Curriculum Swimming Requirements

When Rosendale Year 6 children transition to secondary school, a full PE assessment is shared with both the child and the secondary school. This report will be updated in July 2018 to reflect the proportion of our current Year 6 children who meet the NC requirement.
